

Statement of Support

As a Christian school, Christian Worldview Academy seeks to partner with parents in the education of their children based on a biblical, Christian worldview in all subject areas. As a result, Christian Worldview Academy requires all parents, as a condition of enrollment and continued enrollment, to agree to cooperate with the school in the education of their children and support the educational integrity and ministry of the school. Parents must agree to the following Statement of Support:

- ✓ We agree to cooperate with the school in the education of our child/children and to uphold and support the values, beliefs, and principles of Christian Worldview Academy as stated in its Vision, Mission, Statement of Faith, and the Student/Parent Handbook. We have read these documents and agree to support and abide by them.
- ✓ We agree with Christian Worldview Academy's stand that any form of sexual immorality, such as adultery, fornication, homosexuality, lesbianism, bisexual conduct, bestiality, incest, pornography, or any attempt to change one's gender, or disagreement with one's biological gender, is sinful and offensive to God.
- ✓ We will faithfully attend services of a local Bible-believing church.
- ✓ We acknowledge the importance of appropriate parental involvement as the top indicator of a successful school and will do everything possible to manifest this in our own lives.
- ✓ We agree to cooperate with school personnel in a positive and supportive manner concerning the operation of the school ministry and the implementation of the education programs. We agree to apply the principles of Matthew 18:15-17 in resolving any questions or matters of disagreement. Matthew 18 requires direct communication with the persons involved as opposed to general discussions or gossip with other parents or teachers who are not directly involved in the matter.
- ✓ We will support the school financially by upholding the conditions of our enrollment contract and will contribute time, resources, gifts, and talents as we are able in every way reasonably possible.
- ✓ We give permission for the child's teacher and other school personnel of the school to make and enforce classroom regulations in a manner consistent with Christian principles and discipline set forth in the Scriptures.
- ✓ We have read the school's Student/Parent handbook and agree to cooperate fully and abide by all standards, procedures, and regulations therein as well as any updates throughout the school year.
- ✓ We acknowledge and agree that Christian Worldview Academy reserves the right if it, in its sole discretion, determines that we are failing to abide by this statement of support or are otherwise demonstrating an inability to cooperate with Christian Worldview Academy, to refuse re-enrollment or discontinue the enrollment of our child/children. We acknowledge that our child/children's continued enrollment will be contingent upon our conduct, cooperation, and faithfulness to the mission of the school.

- ✓ We realize that Christian Worldview Academy is an extension of the parents and pledge prayerful support to the school administration and faculty. We will make every effort to work with the school personnel to insure the best possible learning experience for our child/children.
